Amendment 1

Proposal for an amending decision Recital 1 a (new)

Text proposed by the Commission

Amendment

(1a) In accordance with the IIA of 16 December 2020, this amended Decision constitutes a further important step, for the implementation of a roadmap for the introduction of new own resources. It will make sure that the revenue from a basket of new income sources will become available and will be sufficient for the payment of the interest and the principal of NGEU debts and that the distributive financial implications of the basket are acceptable to all Member States.

Amendment 2

Proposal for an amending decision Recital 2 a (new)

Text proposed by the Commission

Amendment

(2a) With the proceeds of the new own resources introduced by this amended decision, the Union budget can be financed reliably on a long-term basis, and accommodate the costs of the repayment of the European Union Recovery Instrument and new Union priorities while avoiding reductions of existing Union programmes and policies.

Amendment 3

Proposal for an amending decision Recital 2 b (new)

Text proposed by the Commission

Amendment

(2b) The implementation of the Roadmap in the IIA of 16 December 2020 should be completed by future reforms

that would replace the transitional solution of the statistics-based national contribution on corporate profits into a more genuine, tax-based own resource as soon as the necessary directives or Union-wide harmonisation frameworks on corporate taxation are in place.

Amendment 4

Proposal for an amending decision Recital 10 a (new)

Text proposed by the Commission

Amendment

(10a) Against the background of high inflation, the temporary lump sum reductions for Denmark, Germany, the Netherlands, Austria and Sweden, from which they benefit for the period 2020-2027, have increased unexpectedly and disproportionately. In order to avoid further distributional distortions, these lump sums should be adjusted annually according to the same rationale and rule as the ceilings of the Multiannual Financial Framework, i.e. on the basis of a fixed deflator of 2 % per year.

Amendment 5

Proposal for an amending decision Article 1 – paragraph 1 – point 1 e a (new) Decision (EU, Euratom) 2020/2053 Article 2 – paragraph 4

Present text

Amendment

4. For the period 2021-2027, the following Member States shall benefit from a gross reduction in their annual GNI-based contributions under point (d) of paragraph 1 in the amount of EUR 565 million for Austria, EUR 377 million for Denmark, EUR 3 671 million for

(ea) paragraph 4 is replaced by the following:

“4. For the period 2021-2027 the following Member States shall benefit from a gross reduction in their annual GNI-based contributions under point (d) of paragraph 1 in the amount of EUR 565 million for Austria, EUR 377 million for Denmark, EUR 3 671 million for

Germany, EUR 1 921 million for the Netherlands and EUR 1 069 million for Sweden. Those amounts shall be measured in 2020 prices and adjusted to current prices ***by applying the most recent gross domestic product deflator for the Union expressed in euro, as provided by the Commission, which is available when the draft budget is drawn up.*** Those gross reductions shall be financed by all Member States.

Germany, EUR 1 921 million for the Netherlands and EUR 1 069 million for Sweden. Those amounts shall be measured in 2020 prices and adjusted to current prices ***on the basis of a fixed deflator of 2% per year.*** Those gross reductions shall be financed by all Member States.”
