Falls	Ams	118 (NI), 119 (PfE)

- (m) urge the Commission to further develop and improve the collection of gender-desegregated data and to ensure that this data contributes to better policymaking; as well as to reinforce the European Institute for Gender Equality both in terms of

funding and capacity;

- (m) urge the Commission to further develop and improve the collection of gender-**disaggregated (rapp) equality data on sex, race, colour, ethnic or social origin, genetic features, language, religion or other belief, political opinion, membership of a national minority, property, birth, disability, age or sexual orientation, sex characteristics and gender identity (Am 120/121) as well as geographically disaggregated data, also on a regional level (Am 122)** and to ensure that this data contributes to better **and more informed (Am 120)** policymaking; as well as to reinforce the European Institute for Gender Equality both in terms of funding and capacity;

CA 15

Paragraph 1n

Includes Ams 127 (Left), 128 (Greens)
Falls Ams 124 (Pfe), 125 (NI), 126 (EPP)

- (n) implement without delay and to the fullest extent the EU GAP III and ensure that 85 % of all new actions throughout external relations by 2025 contribute to gender equality and women's empowerment;
- (n) implement without delay and to the fullest extent the EU GAP III and ensure that **(Am 127)** 85 % of all new actions throughout external relations at least by **2027 (Am 128)** contribute to gender equality and women's empowerment;

CA 16

Paragraph 1o

Includes Ams 134 (Greens), 135 (EPP), 136 (EPP)
Falls Ams 129 & 130 (Pfe), 131 (NI), 133 (ESN),

- (o) take note of and implement the recommendations of Parliament's resolution of 10 March 2022 on the EU GAP III, and thus prioritise GAP III in every aspect of EU external action through a **gender-transformative** and intersectional approach, both in terms of GAP III's geographical coverage and areas of action, as well as gender mainstreaming in all areas of external action, whether trade, development policy, humanitarian aid, security or sectors such as energy and agriculture;
- (o) take note of and implement the recommendations of Parliament's resolution of 10 March 2022 on the EU GAP III, and thus prioritise GAP III in every aspect of EU external action through a **gender-responsive (Am 136)** and intersectional approach, both in terms of GAP III's geographical coverage and areas of action, as well as gender mainstreaming in all areas of external action, whether trade, development policy, **migration (Am 134)**, humanitarian aid, security or sectors such as energy,

fisheries (Am 135) and agriculture, while enhancing the consistency between the EU's internal and external policies (Am 134);

CA 17

Paragraph 1p

Includes	Ams	137 (Greens), 139 (NI), 140 (S&D), 141 (EPP), 143 (Left)
Falls	Ams	142 (PfE)

- (p) devise, fund and implement policies that reduce the role of gender as a factor in poverty both within and, through external action, outside of the EU, taking due note of intersectional factors, including age, care responsibilities, disability, race and sexuality;
- (p) devise, fund and implement policies that **combat the feminisation of poverty (Am 137) and (Am 143)** reduce the role of gender as a factor in poverty both within and, through external action, outside of the EU, taking due note of intersectional factors, including **sex, race, colour, ethnic or social origin, genetic features, language, religion or other belief, political opinion, membership of a national minority, property, birth, disability, age or sexual orientation, (Am 137, 139, 140, 141, 143), sex characteristics (Am 137) or gender identity;**

CA 18

Paragraph 1p a (new)

Includes	Ams	82 (EPP), 144 (EPP)
Falls	Ams	147 (NI),

- (p a) **advocate for equal access to resources and equal opportunities for women in all regions, to achieve economic empowerment, accede to social justice and to a better quality of life as a result of a global vision of gender equality (Am 82); recognise the unique challenges faced by women living in rural, remote and least developed areas, where access to resources, healthcare, education, and economic opportunities may be limited (Am 144);; call for targeted measures and investments that address the needs of these communities, through the promotion of gender equality, female entrepreneurship and employment opportunities or infrastructure; stresses the importance of integrating these perspectives into all relevant external action and development strategies to ensure no woman is left behind (Am 144);**

CA 19

Paragraph 1q

Includes	Ams	84 (EPP), 85 (EPP), 132 (EPP), 138 (EPP), 146 (EPP), 147 (NI), 148 (Left), 149 (EPP), 150 (S&D), 151 (S&D), 152 (Left), 153 (Left), 157 (Left)
Falls	Ams	154 (PfE)

- (q) address the systemic and root causes of women's poverty and empower women and girls in all their diversity through education, training, lifelong-learning, non-discriminatory labour opportunities, access to social services, balancing unpaid care and social responsibilities through legislative initiatives, combating gender stereotyping and promoting women as role models;
- (q) **encourage initiatives that strengthen women's economic autonomy and job creation in high-growth sectors, (Am 146) support initiatives that empower women economically (AM 84), particularly women entrepreneurs and those leading micro, small and medium sized enterprises (AM 138) as well as by fighting stereotypes and combat persisting inequalities in education together with addressing women's employment rate and underrepresentation in certain sectors like STEM and AI (Am 85)**
- (Q a new) **promote female entrepreneurship (Am 146 & 147 & 150) through support programmes in partner countries, ensuring equitable access to business opportunities and training in entrepreneurial skills (AM 132); encourage initiatives that strengthen economic autonomy and job creation in high-growth sectors, (Am 146) support initiatives that empower women economically, particularly women entrepreneurs and those leading micro, small and medium sized enterprises (AM 138)**
- (q b new) **ensure access to social services (Am 152), including family support services, equal share of unpaid care and social responsibilities through legislative initiatives, combating harmful (Am 151) gender stereotyping, patriarchal attitudes and systems (Am 150), promoting women as role models and work-life-balance policies that ensure access to digital education and skills training to bridge the digital gender divide (Am 149); enable women's access to ownership, property, adequate and affordable housing and land, eliminating barriers, with focus on addressing the specific needs of women, in particular those in poverty and female led households (Am 157);**

CA 20

Paragraph 1r

Includes Ams 155 (Greens), 159 (Greens), 160-part (PfE), 161 (EPP),
Falls Ams 158 (NI)

- (r) call for further efforts, legislation and enforcement of existing measures to ensure the rights of women domestic workers;
- (r) call for further efforts, legislation and enforcement of existing measures to ensure the rights of women **care workers and (Am 159)** domestic workers as well as the recognition of informal carers, including single mothers, recognising their work as essential for making our society function,; **(Am 159 & 161) (Am 160); push for more ambitious care policies and investments in care with a view to advancing towards care economies, setting minimum standards and guidelines for care throughout the life cycle, with an intersectional perspective; (Am 155)**

CA 21

Paragraph 1s

Includes Ams 145 (Left), 163 (Left), 165 (Left), 166 (Greens), 167 (Left), Am
168 (PfE), 169 (EPP), 174 (EPP), 170 (NI), 171 NI), 172 (EPP), 173 (EPP),
175 (Renew), 198 Greens)
Falls Ams 168 (PfE), 169 (EPP),

- (s) enhance the EU's response, resources and toolkit, both internally and externally, regarding gender-based violence, including domestic, sexual, physical, psychological and economic violence, including in war zones, taking account of migration, prostitution and sexual exploitation;

- (s) enhance the EU's response, resources and toolkit, both internally and externally, regarding **online and offline** gender-based violence, including domestic, sexual, physical, psychological, (Am 167 & 173), (Am 166), verbal (Am 173), economic violence, harassment at work, as well as violence in situations of **conflict and war**, (Am 171 & 175) trafficking (Am 172), early and **forced marriages** (Am 170) and sexual and reproductive (Am 172) exploitation; **this should include support for the establishment of help centres for women victims of violence in non-EU countries, particularly in disadvantaged areas, similar to anti-violence centres, with a dual objective: assisting in the recognition of situations of violence; providing both legal and practical protection and support for women who decide to report and exit violence (Am 165);**
- (s a new) **Advocate for a consent-based definition of rape as a universal standard across all regions, aiming to enhance legal protections and ensure that sexual violence is defined by the absence of consent, rather than solely by the use of force (Am 163);**
- (s b new) **highlight the major impact of the online gender based violence on women's and girls' personal and professional lives, and on their mental and physical health (Am 198);**
- (s c new) **underline the importance of enforcing international humanitarian law to safeguard the rights of women and girls in conflict (Am 167); ensure that external agreements, including those related to border control and cooperation with non-EU countries, prioritise the safety of women and girls; the EU must ensure that partner countries uphold high human rights standards, particularly in preventing gender-based violence (Am 145) including trafficking for the purpose of sexual exploitation (rap);**

CA 22

Paragraph 1t

Includes Ams 178 (EPP), 180 (Left), 181 (EPP), 182 (Renew), 185 (S&D), 187 (S&D), 115 (Greens), 110 (Pfe - moved from CA 13 - Renew request source)

Falls Ams 177 (Pfe), 179 (ECR), 183 (Pfe), 184 (NI), 186 (ESN)

- (t) ensure that women in all their diversity have access to health services, including for sexual rights and reproductive health, including age-appropriate sexuality and relationship education, contraception, safe and legal abortion, maternal healthcare and care-based health services;
- (t) **remove the legal, financial, social and practical barriers and restrictions on access to safe and legal abortion worldwide (Am 182);** advocate firmly for the defence of sexual and reproductive health and rights as fundamental rights and fight against anti-choice networks (Am 115); ensure that women **and girls (Am 180)** in all their diversity have **information and (Am 185)** access to **affordable (Am 180 &**

187) health services, including for sexual rights and reproductive health and rights in line with international human rights and public health standards (Am 180), including, comprehensive (Am 180) age-appropriate and scientifically accurate (Am 180) sexuality and relationship education, access to contraception and emergency contraception (Am 180), safe and legal abortion, respectful (Am 180) maternal healthcare and care-based health services; ensure that women are protected from forced pregnancies and sex-selective or (Am 110) forced abortions, particularly in the frame of ethnic cleansing practices, and that in no case should abortion be promoted as a method of family planning, as mentioned in the Beijing Declaration (Am 178); emphasise the importance of access to mental health services tailored to the specific needs of women and girls (Am 181);

CA 23

Paragraph 1u

Includes	Ams	193 (EPP), 194 (EPP), 195-part (Left), 197 (EPP)
Falls	Ams	190 (PfE), 191 (PfE), 193 (ESN), 196 (Greens)

- (u) call for increased efforts to address gender issues in the context of the green transition, given the intersectional and disproportionate impact of climate change on women and girls, particularly in developing countries, noting that the effects of climate change are not gender-neutral;
- (u) commit to increase efforts to address gender issues in the context of the green **and energy (Am 197) transition, recognising that the (Am 195) climate crisis is not gender neutral; acknowledge the intersectional and disproportionate impact of climate change on women and girls, particularly in developing countries, as well as in the regions and rural areas most affected by these changes (Am 194); advocate for the inclusion of women in environmental decision-making processes to build resilience and gender-responsive strategies (Am 193);**

CA 24

Paragraph 1v

Includes	Ams	201 (Left), 203 (PfE), 204-part (Renew), 205 (EPP), 206 (EPP)
Falls	Ams	199 (ECR),

- (v) advocate for and strengthen civil society organisations supporting women's rights;
- (v) advocate for and strengthen civil society organisations **working to advance women's and girls' rights (Am 201) and gender equality (Am 206) in all circumstances including disability, violence, discrimination in the workplace or motherhood (Am 205), advocate for providing safe spaces and shelters for women and girls**

suffering violence or threats (Am 203), (Am 204); ensure the protection of human rights defenders, and their participation in the relevant fora (Am 201);

CA 25

Paragraph 1w (new)

Includes Ams 200 (Greens), 202 (EPP), 204-part (Renew),
Falls

(w) work to ensure that grassroots organisations and women's and LGBTIQ+ rights defenders, especially small organisations, are supported through the provision of adequate funding and the removal of restrictions that impede their ability to operate (Am 200); provide targeted measures and capacity-building support to grassroots women's organisations to amplify their impact at the local and international levels (Am 202); actively work against initiatives aimed at diminishing the civic space globally (Am 204);
