Motion for a resolution
Paragraph 80 a (new)

Motion for a resolution

Amendment

80 a. *Underlines that the work done by the High-Level Group on Own Resources should be adapted to new economic, political, and geopolitical realities; calls in this sense for the creation of a task force for own resources, under the authority of the Commissioner in charge of the Budget, bringing together high-level politicians and technicians to help in finding new compromises across the institutions and implement smoothly the decisions regarding the own resources;*

Paragraph 86 a (new)

Motion for a resolution

Amendment

86 a. *Recalls the need to reform the current own resources system reflecting the new needs of the future Union budget; believes in particular that the EU should continue reviewing the EU customs tariffs system and reduce the allocation of share of customs duties allocated to Member States and ensure that all imported products are properly subject to adequate customs duties;*

Motion for a resolution
Paragraph 86 b (new)

Motion for a resolution

Amendment

86 b. *Believes that, the EU should be prepared to ensure stability and protect the Union budget's current resources from custom duties, which could be affected by the new US administration's trade policy and its impacts; Highlights the necessity for Member States to also advance toward the adoption of BEFIT legislation as the US administration has decided to withdraw from the OECD corporate tax agreement which could lead to tax leakage ;*
